

# About MAX BUPA

With a vision *to become India's most admired Health Insurance Company*, **Max Bupa** Health Insurance Company Ltd came into being in 2010. It is a joint venture between True North, a leading Indian private equity firm, and the UK's 70-year-old healthcare services expert, Bupa.

While on the one hand, Bupa brings its vast and varied experience, on the other hand, True North adds the insights and understanding of the Indian healthcare market and its capability of transforming business. Together, they strive to make Max Bupa one of the best medical insurance companies in the country.
